

OUR STORY

Cetis is a privately held, debt-free U.S. corporation headquartered in Colorado Springs. In 1982 we introduced Teledex Diamond Series, the first hotel phone with a faceplate and programmable guest service keys. Today, Cetis telephones are preferred or approved by all major hotel brands. Cetis maintains corporate sales and support offices in the United States, United Kingdom, Beijing, Dubai, and Mumbai.

CETIS BRAND

We are pleased to announce the launch of Cetis appliances, featuring the same high-quality standards and sleek design that have impressed our customers throughout our product lines.

There's a reason that the world's best hotels use the Cetis Brand-because they are functional and so easy to use, they demand less time from the customer service team. At Cetis, we've made it our mission to make your life easier. Our products are simple, safe, and economical.
